

## Stacey Wedding

### BoardSource Certified Governance Consultant & Chief Strategist of The Stacey Wedding Group

While her clients have affectionately named her “the nonprofit fairy godmother,” Stacey Wedding considers herself a professional “do gooder.” Stacey has spent more than 20 years elevating mission-centered leaders with one goal in mind—to strengthen our communities, country, and world. In addition to keynote speaking on topics of leadership and legacy, Stacey—along with her team at The Stacey Wedding Group—have used their expertise in board governance, leadership and team development, and strategic planning to help nonprofit organizations move from surviving to thriving.

Prior to establishing her company in 2006, Stacey began her career in Corporate Communications & Community Relations at NV Energy and later moved into an executive staff position at the Nevada Community Foundation, where she helped grow the organization from \$10 million to \$35 million.

A handful of her professional accomplishments include being named:

- One of only 80 BoardSource Certified Governance Consultants nationwide
- A certified facilitator in The Six Types of Working Genius
- A “Woman to Watch” by Nevada Business Journal
- Volunteer Fundraiser of the Year by the AFP Las Vegas Chapter
- Humanitarian of the Year by Vegas Inc

She is also a proud graduate of the Leadership Las Vegas Class of 2003 and co-hosts the popular Nonprofit Everything podcast, which has a worldwide reach.

Stacey is a big believer in walking the talk. A proud graduate of the UNLV Honors College, Stacey now serves on its advisory board and also on the governing boards of the Kasner Family Foundation and Wagging Tails Rescue, the dog rescue where she and her husband rescued their beloved fur babies. Additionally, her company donates 10% of its revenue each year to charitable organizations.
